

CITY OF MISSISSAUGA
OFFICE OF THE MAYOR

April 2026

Dear National Council of Canadian Tamils (NCCT),

On behalf of Members of Council and the City of Mississauga, I extend my congratulations to you for your gala evening of recognition showcasing achievements of outstanding talents, of the Council, and of other community organizations.

I am happy to be among the more than 800 attendees at this prestigious event that also features unique performances from prominent Tamil Canadian artists.

NCCT has a track-record of excellence as a community-based organization that has guided Tamils, and promoted ideals of volunteerism, human rights, and multiculturalism.

The rich mosaic that is the foundation of the great city of Mississauga is enriched every day by the presence of at least 7000 people of Tamil origin, according to the last census in 2021. Our city has also been strong supporters of Ontario's 2014 proclamation of January as Tamil Heritage Month, and of the House of Commons' 2016 recognition of Tamil Heritage Month.

By recognizing excellence, leadership, and community service, the NCCT continues to shine a spotlight on the incredible ways the Tamil community is helping to build the broader community. Your contributions make Mississauga a cultural, economic, and international marvel that is the second largest economy in the province.

Thank you!

Sincerely,

Mayor, City of Mississauga
