To the National Council of Canadian Tamils,

Every day, across Ontario and in Canada, Tamil Canadians contribute to the country's strong social fabric. From the arts, to politics, to education and beyond, it is an honour to witness your organization's collaborative efforts to serve as a unified and democratic voice for Tamil Canadians.

Thank you for your continued leadership, civic involvement and community building. Your collaborative efforts have not gone unnoticed.

The Ontario NDP will continue to amplify Tamil-Canadian voices in the House and beyond.
