### **Message from Mayor Patrick Brown**

It is my great pleasure to extend warm greetings to the National Council of Canadian Tamils (NCCT) as you celebrate the **Grand Gala of Canadian Tamils 2026** and mark 16 years of dedicated service to the community.

Brampton is Canada's most vibrant and diverse big city, and the Tamil Canadian community plays an important role in shaping our cultural, economic, and civic landscape. Your commitment to volunteerism, human rights, multiculturalism, and democratic values strengthens not only our city, but our country as a whole.

Over the past sixteen years, the NCCT has provided meaningful leadership and advocacy, ensuring that Tamil Canadians have a strong and unified voice. Your work in celebrating heritage, empowering future generations, and fostering civic engagement reflects the very best of Canadian ideals.

The Grand Gala is a wonderful opportunity to recognize outstanding achievements, showcase remarkable artistic talent, and bring together community leaders from all levels of government. I commend the NCCT for creating an evening that both honours your accomplishments and looks ahead to a bright future.

On behalf of Brampton City Council and the entire community, I congratulate the National Council of Canadian Tamils on this milestone anniversary and wish you continued success in the years to come. Best wishes for a memorable and inspiring evening.

Sincerely,

Patrick Brown  
Mayor of Brampton
