

LEADER OF THE OPPOSITION

CHEF DE L'OPPOSITION

April 12, 2026

Dear friends,

On behalf of His Majesty's Loyal Opposition and the Conservative Party of Canada, I want to send my warmest greetings to the National Council of Canadian Tamils and all those attending tonight's Grand Gala.

For 16 years, the NCCT has worked tirelessly to strengthen Canada's incredible community of Tamil heritage, and promote awareness and accountability for the horrors of the Tamil Genocide. Conservatives condemn this horrible crime, and seek to prosecute those who perpetrated it.

As you contribute here at home and pursue justice abroad, know that Conservatives stand with you and honour our shared values of hard work, patriotism and self reliance.

We want a country where everyone, no matter where they're from, can work hard, earn a great paycheque, put good food on the table and own a house in a safe neighbourhood.

It's my privilege to work on your behalf as we fight for a better tomorrow.

As you gather to celebrate the accomplishments of so many Canadians of Tamil heritage, I want to wish you all an excellent evening.

Sincerely,

The Hon. Pierre Poilievre, P.C., M.P.

Leader of His Majesty's Loyal Opposition and the Conservative Party of Canada
